BCS LINE

BCS-L-CRS-M9Z

Proximity card reader

- supports Mifare 13,56MHz cards
- RS485, Wiegand 34 bit
- requires an additional controller to work
- opening the door with a card
- LED indicator
- buzzer sound
- dimensions 127mm×46mm×20mm

amount **20**

BCS-L-CRS-M6W

Proximity card reader

- Mifare 13.56MHz
- Wiegand 34 bit / RS-485
- Watchdog function, anti-tampering alarm
- 3 colored light diode
- buzzer sound
- dimensions 86.8mm×135.7mm×12.7mm
- intended for indoor usage

amount **45**

BCS-L-CKRS-M9Z

Proximity card reader

- supports Mifare 13,56MHz cards
- keyboard with LED lightning
- RS485, Wiegand 34 bit
- requires an additional controller to work
- opening the door with a card, code or both card and the code (depending on controller model)
- LED indicator
- buzzer sound
- dimensions 127 mm×46mm×20mm

amount **24**

BCS-L-CRS-M2Z

RFID - proximity reader

- Mifare 13.56MHz
- Wiegand 34 bit / RS-485
- Watchdog function, anti-tampering alarm
- 3 colored light diode
- buzzer sound
- dimensions 47.5mm×135.0mm×16.0mm

amount **52**

BCS-L-CRS-M7Z

Proximity card reader

- supports Mifare 13,56MHz cards
- RS485, Wiegand 34 bit
- requires an additional controller to work
- opening the door with a card
- LED indicator
- buzzer sound
- dimensions 123mm×86mmx15mm

amount **18**

BCS-L-CRS-M8Z

Proximity card reader

- supports Mifare 13,56MHz cards
- RS485, Wiegand 34 bit
- requires an additional controller to work
- opening the door with a card
- LED indicator
- buzzer sound
- dimensions 135mm×40mm×15mm

amount **20**

BCS

BCS LINE

BCS-L-CRS-M4Z
RFID - proximity reader

- Mifare 13.56MHz
- Wiegand 34 bit / RS-485
- Watchdog function
- 3 colored light diode
- buzzer sound
- dimensions 72.0mm×102.4mm×18.0mm

amount **57**

BCS-1054212MPIR
Lens 10.5~42mm

- designed to work with megapixel cameras with resolutions of up to 12 Mpx
- Automatic P-Iris iris
- Glass lenses with anti-reflective coatings
- Infrared correction enables cooperation with infrared heaters

amount **5**

BCS-L-NVR1602-A-4K-16P-Ai
16CH IP Recorder

- supports 2HDD
- supports IP cameras with resolution up to 24Mpx
- 16-port switch PoE 130W built-in
- alarm 4/2, audio 1/1
- video output HDMI4K/VGA
- Ai

amount **19**

BCS-L-NVR6408R-A-4K-Ai(2)
64CH IP Recorder

- supports 8HDD
- supports IP cameras with resolution up to 32Mpx
- RAID
- alarm 16/8, audio 1/2
- video output 2xHDMI4K/2xVGA
- Ai, AcuPick technology

amount **13**

PROMOTION

Also check out the list of promotions – BCS products at unprecedented discounts for the installer. Including **sets** and selected **recorders** and **IP cameras** from the **BCS Point, BCS View, BCS Line** and **BCS Basic series**.
